

Are you ready
for €60,000
equity-free
funding?

Applications now open for EIT FAN 2018!

EIT FAN is a new EU funded multi-location accelerator programme delivered across Europe. Over a 4 month acceleration period, start-ups will have access to a buffet of tools, connections, mentors and expertise to help them to succeed. With the 3 best start-ups receiving €60,000 each in equity-free cash prizes.

Driven by a consortium of EIT Food partners, representing the very best in academic and industry expertise in the food space, and with MassChallenge, the programme supports high impact food-space start-ups to maximise their success.

The EIT FAN will be held across 4 locations in Germany, Israel, Switzerland and the United Kingdom, and will start 18th June 2018.

EIT Food is supported by the EIT
a body of the European Union
